

### 2025

The **Strathcona Medal**, awarded annually at Presentation Night, stands alone as Strathcona's method of recognising someone from within our School community of past students who has demonstrated excellence in her chosen field and exceptional contribution to the wider community in the spirit of the School motto 'Bravely, Faithfully, Happily.' The Medal shall be accompanied by a citation explaining the justification for the Award.

The service need not necessarily be high profile. For example, a major and exceptional scientific breakthrough would be high profile, whereas 50 years of voluntary service to a charity or community project would qualify equally.

Please also note that, in any given year, an Award need not be made if, in the opinion of the Committee, a suitable nominee has not been found. Conversely, in any one year multiple Awards could be made to equally high nominees.

Thank you for taking the time to nominate someone for this Award.

#### **Guidelines:**

- 1. The recipient shall be a past student of Strathcona.
- 2. The recipient may be living or deceased.
- 3. Nominations may be re-submitted although continuous nomination of the same person is to be discouraged.
- 4. The expiration of a number of years may enhance a person's nomination owing to greater length of service.
- 5. Nominations are to be made on an official form, giving the details of the person nominated and the justification for the nomination. This form is valid only when signed and dated by both the nominator and the seconder.
- 6. Nominations should be kept confidential at all times prior to the announcement of the Award.
- 7. It shall be the responsibility of the Committee to check the details of the nomination before determining the Award.
