# The Strathcona Uniform

When wearing the Strathcona uniform, students are representatives of the School and their peers, and as such should adhere to the Strathcona uniform and behaviour policies in order to uphold the School's high standards.

Students are expected to be neat and tidy in appearance, with the school uniform worn correctly and kept clean and in good order.

Students are not permitted to post photographs or films of themselves or

their peers whilst wearing the School uniform on any social media platform without the written consent of the School in advance.

Our uniform has been thoughtfully crafted to allow for students to have choice and the opportunity for individual expression. Whether you prefer cool weather or warm weather attire, skirts or pants, you can select the pieces that make you feel most comfortable. The following pages will detail our range of uniform options for each year level.

# Purchasing Uniform

Strathcona students wear their uniforms with pride. Be it for summer, winter or sport, our uniforms can be purchased both new and second-hand.
